Aerospace & Aviation Sector Skill Council

Recognised Awarding Body

About us

AASSC, the apex industry-led skill development body in Aerospace and Aviation sector, was formed under the aegis of NSDC with promoters as Hindustan Aeronautics limited (HAL), Bangalore Chambers of Industry and Commerce (BCIC) and society of Indian Aerospace Technologies and Industries (SIATI).

AASSC is responsible for bridging the gap between demand and supply of skilled manpower in the Aerospace and Aviation domain including Drones across the following sub-sectors:

- Airline Operations
- Airports, Cargo & ground handling
- Aviation Maintenance Repair and Overhaul
- Aerospace Design & Development
- Aerospace Manufacturing & Assembly
- Drones/UAVs

Various Skills Schemes

- Government schemes like Pradhan Mantri Kaushal Vikas Yojana (PMKVY)
- Corporate-supported initiatives
- Fee-based training programs by approved training providers
- Recognition of Prior Learning (RPL)
- Apprenticeship through NAPS
- Apprenticeship Embedded Degree Program (AEDP)

Role of AASSC

- Conduct of Training of Trainers (ToT) & Training of Assessor (ToA) programs for competency enhancement
- Developing well-designed industry centric qualifications
- Conduct of skill-gap study
- Accreditation and affiliation of Training Partners
- Act as a Project Management Unit (PMU) for Skill Development missions
- Awarding Certification of previously acquired experience and skills through Recognition of Prior Learning (RPL) programs
- Encouraging apprenticeship among Aerospace and Aviation companies through National Apprenticeship Promotion Scheme (NAPS)
